

Lakelin is an up-to-date blouse, sundress or jumper that features a narrow round lined yoke, 1/4" tucks on the front middle bodice, a bias skirt and fluted sleeves. Lakelin buttons in the back. If desired, it can be embellished with little buttons between the tucks and a "pinned-on embellishment" of gingham ribbon, rickrack, dangles with beads and a button. The sundress twirls and is cool for summer. The jumper can be paired with a blouse or turtleneck. The versatile blouse goes with jeans, shorts, cropped pants, Katie's Skirt or Sassy Skirts.
