*Townley's Tabards...*

Designed specifically to coordinate with Patten's Jumper (sizes 5-12), Townley's Tabards also has a detachable tabard for endless versatility! Make several tabards to coordinate with different blouses, celebrate holidays, or just for fun! It can be made as a jumper or overalls, creating the perfect pattern for matching brother / sister outfits for the holidays!

The lower part of the jumper or overalls has a front waistband and elastic at the back waist. A smocked inset variation is included. Also, in our designer pages, you'll find several applique designs and even a snowman to cross stitch! Like our other patterns, Townley's Tabards is multi-sized to adapt to your growing child, and includes lots of creative ideas! By the way, this jumper has been lovingly named after Townley White, whose mommy (Patten) owns TLC doll.
