

Antique Toddler Dresses

Patterns by The Old Fashioned Baby show the charm and daintiness that belong to every baby. Baby will be well and smiling in little garments made by Mother. These garments are designed to give baby the greatest comfort and freedom of movement. They come with complete, illustrated, easy to follow instructions.

The Antique Toddler Dresses are reproductions of Baby Dresses worn in the early 1900's. They have the appeal of the Round Yoke Dress without the tediousness required to make them. They are sure to be appealing on your little one. All dresses have a raised front and back square yoke. *Dress View 1* is a reproduction of a dress in the Louisiana State University Clothing Collection. The Yoke and Hem are embellished with Lace Insertion and Tucks, as are the ruffles on the hem and the yoke. It is a lovely Old Fashioned look. *View 2* features a Yoke Ruffle and a charming Shadow Embroidery Design for the Yoke and Hem. *View 3*, also reproduced from a Vintage garment has Lace Insertion shaped along a curve which is bordered with Lace Edging. Feather Stitch embroidery on the Yoke and Hem accent the dress. The short puffy sleeves in all the views have Swiss Beading and Lace Edging. A *Slip* with ruffled hem is included to complete the outfit.
