**Sweet & Simple Daygown Collection** is a classic pattern that will always be in style. They are the cutest daygowns you have ever seen! They have two tucks on either side of the front opening and have underarm pleats for extra room and comfort. There are two 18" **Classis** styles suitable for either boy or girl baby. One has an elbow length cuffed sleeve and a collar with tating. The other features long sleeves trimmed with lace and a lace/entredoux neck. The Baby Boy Daygown is 16" long and has a straight sleeve and collar trimmed with piping. A delightful puddle duck is worked in shadow embroidery. The 18" daygown for **Baby Girl** is definitely feminine! Lace edging embellishes both sides and of the front facing, the neck edge and the 3/4" length puffy sleeves. The front opening makes dressing baby easy and each gown has a sweet embroidery design. All views are a joy to make and easy too!
