

Rose is a dress featuring a round yoke that is perfect for monograms, cutwork or other embroidery. It has either short fitted sleeves edged with corded piping or long fitted sleeves finished with a casing and small elastic. The dress is softly gathered in front and is buttoned down the back with soft gathers on each side. Rose may be shortened to tunic length. It is available in sizes 1,2,3,4 and 5,6,7,8.

Note! Dress may be made by serger if desired. Overcast seams may be changed to French seams if desired, but overcast seams are recommended for heavier fabrics.

Suggested fabrics include quilting cottons, lawns, corduroy and pique.
