Melissa is a little girl's sundress and matching T-bonnet pattern sized 1-4 with angel sleeves and high yoke square neckline styling. The slightly gathered dress opens to the front and can be embellished with lace edging and fagotting or piping. This dress would be lovely using a solid fabric with embroidered embellishment or with a cute printed fabric. Ruffling can be substituted for lace edging to create a casual look.

Suggested Fabrics (With Embroidery): Semi-sheer to sheer lightweight fabrics such as Swiss batiste, organdy, lawn, pima cotton, or handkerchief linen. Fabrics should be of natural fiber content and sheer enough to see color of embroidery thread through. **(Without Embroidery):** Medium to light-weight fabrics such as Liberty cotton, handkerchief linen, novelty cotton prints, gingham, seersucker, eyelet, chambray, or pique.

Notions: Thread to match fabrics (50 to 60 weight cotton or polyester); thread for lace application (50 to 80 weight cotton); ⅜" buttons (See amounts above); #80 Cordinet or tatting thread (fagotting); English embroidery needles: #10 Sharp (fagotting), #7 Betweens (Floche), #10 Crewels (Stranded Cotton Embroidery Floss, see color key); 4" embroidery hoop; #120 Universal round machine needle (Pinstitch); General sewing supplies.
