Bye Bye Birdie is a coat, bonnet and suspender pants outfit for little boys or girls sized 6mo to 3. The coat features uniquely attached sleeves joined at the yoke edge. Optional embroidery adorns the front, back and shoulders of the fully lined coat (*template included*). Mini piping trims the collar in contrasting fabric. The pants feature button-on suspender straps and elastic waistband. The fully lined matching bonnet features horse-shoe shaped crown and scalloped brim, fabric ties attached to the sides with bonnet buckles (*available from wendyschoen.com*). This pattern is a companion to *Mastering Shadow Work Embroidery* book by Wendy Schoen, and for machine embroiderers, a digitized version of the motifs can be found on Wendy Schoen's Machine Embroidery Collection, both purchased separately or in sets.
