

HARPER #299

LEVEL OF DIFFICULTY

-----MODERATE-----

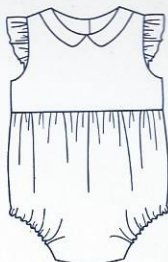

Harper is a fully-lined bubble for a girl or boy and is comfortable for the playground or the beach. The timeless bubble gathers onto a bodice with a raised waist and buttons in the back with a continuous bound placket. It features elastic casings at the legs with snaps or buttons at the crotch. Customize this bubble in a variety of ways. For a girl, add a piped collar, sweet sash, and fluttery angel sleeves. For a boy, make a tailored look with a collar and belt. Add a smocked insert to the bodice using our instructions found on our blog at childrenscornerpatterns.com.
