

SUZIE #315

Suzie is a collection of easy-to-sew skirts that she can wear all year long. Included is a circle, gathered, and pleated skirt. The skirts are attached to a lined yoke that is flat in the front and finished with elastic at the back. Instructions include an optional lining for the circle or gathered skirt. Blouses on the cover are variations of our patterns and are not included. See blog for details.

SUGGESTED FABRICS: Light to medium-weight woven fabrics like broadcloth, chambray, corduroy, lawn, or pique.

NOTIONS:

- Elastic (3/4") – 1/2 yard
- Featherweight fusible interfacing (optional) – 1/4 yard

REQUIREMENTS: Fabric quantities allow for nap. If only lining the skirt yoke, use 1/8 yard of lining. Choose size according to waist measurement, and adjust length accordingly.
