

Caftan - Nightgown

Comfortable, loose-fitting garments for leisure or sleeping: Style **A** features Van Dyke smocking in front and back, deep flounce at mid-calf hemline, in-seam pockets. **B** has honey-comb smocking in front with back yoke and gathered skirt. It sports patch pockets and contrasting band at short hemline. Style **B** is a dainty full-length gown with vertical smocking in front, and a back yoke and gathered skirt. Lace trims neck, armholes, and lower edge. All styles have bias-bound round neck and armholes with dropped shoulders.
