The Old Fashioned **Baby Daydresses** are a necessary addition to baby's wardrobe. There are three different styles, all so pretty you will have a difficult time choosing which one to make first! **View 1** features old fashioned tucks at the shoulders and is embellished with a lovely design of lace and Featherstitch embroidery. **View 2** also has tucks at the shoulders and has embroidery and shaped lace to enchant you. **View 3** is exquisitely embroidered with lace insertion accenting the embroidery. All three have lace insertion and edging along the hem and short puffed sleeves with lace embellishment. A matching **Slip** complements the dresses.
