Tiffany...

Tiffany is an elegant heirloom sewn, smocked christening gown, bonnet, dress and slip. The skirt may be gathered or smocked. The gown and dress have a high yoke, puffed sleeves with ribbon ties, gathered to entredeau and beading, and back button closure with a placket. The sleeves, yoke overlay and skirt are embellished with lace insertion and delicate, yet simple, hand embroidery. A simple smocking design and a shadow embroidered monogram alphabet are also included. The bonnet is gathered to a brim and features an embroidered overlay embellished with lace. The slip also has a high yoke and is embellished with lace and embroidery. This exquisite ensemble will become a treasured heirloom for generations to come!
