

Bunny's Knit Nightie is an easy-to-make baby gown designed for knit fabric. The Preemie size should fit 2-5 pound babies. The Infant size fits 6-15 pounds. The Toddler size fits 16-25 pounds. The gown has overlapping front and back shoulders for ease in dressing a baby. The long sleeves may be rolled-up and then unrolled as the baby grows. The gown bottom can be gathered with elastic or just hemmed. Instructions are given for suggested stitches with stitch length and width and suggested machine feet. A bunny appliqué is included.

Bib, bootie and hat patterns in two sizes are included as well as instructions for a 35" square receiving blanket and a burp cloth.
