

Dolly Snowdrift

This pattern was created as a doll's version of the child's pattern, Little Snowdrift and the ladies' Snowdrift. This pattern is designed to be made of heavier weight fabrics such as flannel or broadcloth. All three views are smocked and feature a round yoke like the children's pattern but have a play-friendly CB opening. View A has a mock side yoke opening, long smocked sleeves and plain long skirt. View B has a little stand up collar, long sleeves with cuffs and a ruffle at the hem. View C comes with a sweetheart neckline and pajama bottoms. Included with the pattern is a traditional Peter Pan collar, instructions for a shoulder ruffle, the option of many lengths and 3 design plates. This pattern is sized to fit the popular 18" - 19 1/2" vinyl dolls such as the American Girl Doll. Easy to alter to fit other sizes.
