

French Adacian Sundress by Jeannie B.

Size 6-9 Months, 12 Months, 18 Months

My Little French Adacian Sundress has been fashioned after a style similar to those sold in the New Orleans Baby Shops and hand made by Louisiana women all over the state in years gone by. It's a sweet classic that was a summer staple in South Louisiana for generations. Now you can dress your special little girl in this same Sundress. This Pattern has Sewing Machine Instructions with hand finishing techniques and embroidery included. View 1 has a Lacy Hem and gathered lace edging embellishing the Front and Back Yoke. View 2 is sweet & simple, no lace and a turned up self fabric hem. View 3 has gathered lace edging at the Front & Back Yoke and a turned up self fabric hem. All three are as sweet as can be!

Patterns by The Old Fashioned Baby show the charm and daintiness that belong to every baby. Complete, easy to follow, illustrated instructions.
