

Sassy Skirts is a collection of three skirt patterns designed by Susan Whitman. **View A** is a double-layered under and top skirt cut on the bias. The skirt is attached to a lined skirt yoke and has elastic at back of skirt. **View B** has a slightly gathered skirt and is completely lined. It also features elastic at the back waistline. **View C** has a single layer bias skirt. **View C** is completely lined and elastic at the back of skirt waistline. Optional belt loops and sash can be added to all patterns. Instructions are included for belt and belt loops. This pattern

is available in sizes 3-5 and 6-10.
