Sweet Serenity is an adorable Baby Daygown and Matching Bonnet ensemble which is the perfect "home from the hospital" or special occasion outfit for infants sized 3 to 12 months. Release tucks at the shoulders provide fullness in the long gown featuring tee-style sleeves with yoke closures on each shoulder. The matching bonnet features a rounded crown tip trimmed with tating and a scalloped brim. Ribbon rosettes trim the ties at both sides and tating embellishes the edges of the gown and bonnet brim. Optional embroidery adorns the front of the daygown and bonnet brim (*template included*). This pattern is a companion to Mastering Shadow Work Embroidery book by Wendy Schoen, and for machine embroiderers, a digitized version of the motifs can be found on Wendy Schoen's Machine Embroidery Collection, both purchased separately or as a set.

Suggested Fabrics: Medium to lightweight fabrics such as batiste, lawn, handkerchief linen, flannel, dimity, seersucker, plissé, pique and cotton shirting in solids, gingham, stripes, or prints. Not suitable for plaids or diagonals.
