Violette Bleues (*Blue Violets*) is an adorable little girl's play dress and panties pattern in sizes 6mo to 3. The play dress features a gathered neck edge bound with bias binding with ends extending into ties for the back opening. The yoke gathers are secured with a holding band, allowing the yoke to form the puffing effect. Narrow capped sleeves are gathered and bound with contrasting fabric and pleats beneath the armhole provide added fullness. The shaped Madeira hem is attached with the Point de Paris (Parisian) stitch by machine but could also be worked by hand. The matching panties feature elastic waist and legs. Optional embroidery adorns the front of the dress (*template included*). This pattern is a companion to *Mastering Shadow Work Embroidery* book by Wendy Schoen, and for machine embroiderers, a digitized version of the motifs can be found on Wendy Schoen's Machine Embroidery Collection, both purchased separately or as a set.
